

## **Telopea Park High School Song**

We pledge to thee Telopea  
Our loyalty forever.  
To strive for honour, truth and fame,  
For aye we will endeavour.  
The blazing of the waratah  
Can truly be seen from afar,  
A symbol of our school's true worth  
An emblem ever standing.

On sporting fields our name is known,  
A school of great ambition.  
In scholarship we'll keep aloft  
Telopea's tradition.  
May we forever strive to do  
True justice to the red and blue.  
We pledge to thee Telopea  
Our loyalty forever.

Thanks to Peter Aitchison, who will be leading the singing
